## Pancake & Prayer

Thank you to all who attended the Pancake Breakfast last weekend. It was wonderful to see so many families and spend some time learning about the society and fellowship!

**THANK YOU!! to Front Porch Realty for once again generously sponsoring the breakfast!**

## Terry Fox Run

Remember to check [the Athletic's Page](#) at the beginning of the week for all the Royals news.

## Parent Internet & Porn Talk

**\*\*This talk is strictly 18+. Please DO NOT bring young children to this meeting as you do not know what they might take in.\*\***

DID YOU KNOW? There are more than 350 million porn sites on the web. How in the world do we navigate this (without losing our minds)!?

On Sept 25 at 6:30 pm, join Naomi Holland, who has been working against child trafficking and pornography for over 20 years, for a candid conversation about what porn is today, practical ways to respond, and why it's a battle worth fighting for *and with* your children. It is not a matter of IF your child will stumble upon porn, but WHEN. There are critical conversations that must happen before this traumatic event occurs and after as well. Join Naomi for some tips on what to say, when and how. An informed parent is an empowered parent. An informed child is an empowered child.

## Field Trips and Consent

Please remember to complete any and all field trip forms that come to you. If your child is heading on a field trip and you haven't received the form, please check your spam folder... or your trash folder. They are easy to miss! Search "Action Required" to help you locate it.
